

NEW LIGHT MEDIA

Dear Programmer,

It is my honor to recommend Sharon Whipkey as a licensed speaker for my award winning speaking program, "Journey to a Hate Free Millennium". Sharon is the **ONLY** licensed speaker for the Journey speaking program in the state of California, Northern Region.

She has successfully completed the necessary training in Palm Springs, California for this program and I highly recommend the program and Sharon as the presenter for your community.

Journey to a Hate Free Millennium is the much-needed program that has been successfully presented throughout the world since 1999. I the creator/speaker, Brent Scarpo have now trained highly selected individuals to carry the message of a Hate Free Society to the world at large.

It is my sincere hope that you bring Sharon and this program to your community. He is an accomplished speaker and the perfect person to carry on my message.

Gratefully,

A handwritten signature in cursive script that reads "Brent Scarpo".
